This Newsletter is Brought to you by ExcelPlas Labs – Australia’s Largest NATA Accredited Geosynthetics Testing Labs.

ExcelPlas is Australia’s leading laboratory for testing geosynthetic materials and was the first laboratory here to be NATA accredited for many geosynthetic tests. Excelplas holds accreditation to ISO 17025 for an extensive range of geosynthetic tests, and offers opinions and interpretations not just test results.

Geosynthetic News Australia (GNA) is now Australia's most current and comprehensive source

of news on Geomembranes and other Geosynthetics;

GNA is now sent to over 6500 Geosynthetic Industry Members every week.

Any news or subscription requests for GNC should be sent to john@excelplas.com
