Large Geomembrane Cover for Pulp Biomethanation and Biogas Generation Project
http://www.gticovers.com/en/news/gtis-cover-crucial-part-of-slave-lake-pulps-biomethanation-and-power-generation-project

Meet the New Board of Directors of Fabricated Geomembrane Institute (FGI)
http://www.fabricatedgeomembrane.com/?page_id=618

Comprehensive Study on Instrumentation and Monitoring Equipment for Geomembrane Dams [PDF]
http://www.usbr.gov/tsc/techreferences/designstandards-datacollectionguides/finalds-pdfs/DS13-11.pdf

LimitState's Geotechnical Stability Software, LimitState:GEO, Features in an article in Vol. 44 of Geotextiles and Geomembranes
http://www.limitstate.com/news/LimitState-GEO-features-in-Geotextiles-%2526-Geomembranes-Article

Geotechnical Conference (Geotec Hanoi 2016) 24-25th November 2016
http://geotechn.vn/

Editors Note:
The USA have now ruled to impose Additional Import Duty on Chinese Geogrids to offset the effect of concessions and subsidies granted by China to its Geogrid exporters. The imposition of this so-called countervailing duty (CVD) is an attempt to bring the imported price of Chinese Geogrids to their true market price, and thus to provide a level playing field to the domestic American Geogrid producers.

This Newsletter is brought to you by Excelplas Labs, ? **Australia's Largest group of**

Geosynthetics Testing Labs.
