January 2015 Vol.3

Author : GNA

Geologger™ – The New Leak Detection System for Double Liner Geomembrane Facilities from ProGeo (Free Download)
http://nghc-ec.eu/wp-content/uploads/2015/01/Geologger-double-line-presentation-2014.pdf

ExcelPlas Labs Delelop Residual Lifetime Estimate (REL) Program for Condition Monitoring of Geomembrane Liner and Covers
The multi criteria analysis program uses residual stabiliser levels and residual mechanical property data to give RELs of in situ liners/covers
http://www.excelplas.com

MSW Leachate Inorganic Ion Diffusion through Compacted Soil and HDPE Geomembrane Barrier (New Publication)
The rate chloride and sodium ion migration through compacted clay and HDPE geomembranes is measured and modelled
http://www.scientific.net/MSF.802.630

Tonkin Consulting seeking Senior Engineer - Waste Management/Landfill
http://www.seek.com.au/job/27977587

Watpac seeking HDPE Pipe/ Liner Welders for Nova Nickel Project Tailings storage facility, located approximately 100km east of Norseman
http://www.seek.com.au/job/27986292

The next sea change? Applying geosynthetics in mining
http://www.mining-technology.com/features/featurethe-next-sea-change-the-case-for-the-application-of-geosynthetics-in-mining-4454748/

Check out the searchable Geosynthetic Materials Association (GMA) membership directory today! (FREE!)

Macceferri Designs Recyclable Flood Barrier (New Product)
http://www.nce.co.uk/news/water/geotech-firm-designs-recyclable-flood-barrier/8677440.article

8.0m high tensile geomembrane “aqua dam” installed as temporary dams in place for high tides
Water-filled geomembrane tubes installed to prevent city flooding in Spring tides
http://www.irishtimes.com/news/ireland/irish-news/galway-s-temporary-dams-in-place-for-high-tides-1.2075509

Effect of pocket size on the shear properties of different sand-geocell interfaces

http://www.researchgate.net/publication/270583865_Effect_of_pocket_size_on_the_shear_properties_of_different_sand-geocell_interfaces

Conference on Dam and Geomembranes for Dams (DamWorld 2015)
http://dw2015.lnec.pt/dw2015_2_v6.pdf

Effect of High pH Found in Low-Level Radioactive Waste Leachates on the Antioxidant Depletion of a HDPE Geomembrane (New Publication)
http://ascelibrary.org/doi/abs/10.1061/(ASCE)HZ.2153-5515.0000262

Geomembranes for Tailings and Mine Waste Management for the 21 Century
http://www.tailingsandminewaste2015.ausimm.com.au/Media/tailings2015/docs/tailings2015_preliminary_list_of_papers_20141224.pdf
